

HOSEWORKS

AT WHISLER BEARING

As a Gates Certified Hydraulic Assembly Fabricator and Authorized Service Center, we are committed to reducing your downtime and saving you money by investing in the most extensive inventory of Gates Fluid Power components in the area. When you need it, odds are we have it. Being locally owned and operated, our inventory is controlled by real people, with an emphasis on taking care of your needs, not an idealized computer model. We also have hundreds of additional products available just a day away from our Colorado Springs location. Give us a call or stop by and see us. We'd love to show you around and make sure you are well taken care of.
